

SUMMARY

I'm a B.Tech Computer Engineering Student and a passionate Software Developer who enjoys creating seamless and visually appealing softwares .I'm always eager to explore new technologies, solve real-world problems, and contribute to impactful projects. Whether it's crafting user-friendly interfaces or diving into backend logic, I bring both creativity and precision to every line of code I write.

EDUCATION

Bachelor of Technology, Computer Engineering , Dharmsinh Desai University Gujarat, India	2024 – 2027 (Expected) CPI: 7.98/10.0
Diploma in Computer Engineering , Gyanmanjri Diploma College Gujarat, India	2021 – 2024 CGPA: 9.07/10.0

EXPERIENCE

Software Developer Intern , Apex Software House & IT Company Bhavnagar, Gujarat	(2 months)
<ul style="list-style-type: none">Developed a full-stack e-commerce bookstore application using PHP, managing the product catalog and user transaction flows.Integrated the Razorpay API to implement a secure and efficient payment gateway, facilitating online transactions for the platform.Designed and built a robust admin panel with full CRUD capabilities for managing products and user data.	

PROJECTS

Bus Reservation System <i>Technologies: Django (Python), SQLite, Razorpay API, Bootstrap, jQuery</i> <ul style="list-style-type: none">Engineered a full-stack web application with a secure payment gateway using Razorpay integration.Implemented a comprehensive admin portal for managing buses and bookings, along with core features like user authentication and seat selection.	
Car Rental System <i>Technologies: Java Spring Boot, RESTful API, Postman</i> <ul style="list-style-type: none">Designed and built a RESTful API for a car rental platform with endpoints for all CRUD operations.Utilized Postman for comprehensive API testing and validation to ensure robust data flow.	
Full-Stack Web Development Projects (Travel & E-commerce) <i>Technologies: PHP, Razorpay API</i> <ul style="list-style-type: none">Developed and launched two full-stack websites, a travel package booking platform and an e-commerce bookstore.Integrated the Razorpay API for secure payments and created comprehensive admin panels with full CRUD functionality.	

SKILLS

Languages:	C/C++, Python, Java , HTML, CSS, JavaScript (Learning), C# (Learning)
Frameworks:	Django, Spring Boot ,Bootstrap
Databases:	MongoDB, MySQL
Tools:	Git, GitHub, Postman, VS Code, intell

AWARDS & HONORS

- Odoo Hackathon Participant
- 2 years participation in techmanjree competetion
- Code quest participant
