SUMMARY

Full-stack Web Developer skilled in React.js, Node.js, Java ,Javascript and Spring Boot, with hands-on experience building scalable and user-friendly web applications. Proficient in JavaScript, MySQL, and RESTful API integration. My hobby is playing cricket, listening and travelling.

TECHNICAL SKILLS

Languages: C, C++, Java
Frameworks: Spring Boot, Express.js
Frontend: React.js, JavaScript, HTML, TailwindCSS
Backend: Node.js, Express.js, Spring Boot, RESTful APIs
Database: MySQL, MongoDB
Developer Tools: Git, GitHub, Postman, IntelliJ, VS Code, Android Studio

PROJECTS

- JobHook** [[github/jobhook](https://github.com/jobhook)] Jan. 2023 – Mar. 2023
React.Js, Tailwind CSS, Springboot, MongoDB Nadiad, India
- Developed a job portal with admin and user roles for seamless job posting and applications.
 - Implemented a responsive UI using ReactJS, Tailwind CSS, and Spring Boot for backend logic. Integrated MongoDB for efficient database management.
 - Implemented Redux for efficient state management.
 - Integrated with JWT.
- VizFaculty** [[github/vizfaculty](https://github.com/vizfaculty)] Apr 2024 - Jun 2024
React.Js, Node.Js, Express.Js, MongoDB Nadiad, India
- Developed a Faculty management system efficiently with protected APIs using JWT.
 - Faculty-friendly web app where faculty can manage and update their profile and upload publications.
 - Admin can add, delete, and update faculty and departments, with visual representation of publications via pie charts on the admin dashboard.
 - Faculties and Admin can download offline reports of publications in Excel, implemented using the XLSX library.
- Airline Reservation System** [[github/airline](https://github.com/airline)] Jul 2023 - Jun 2023
C++, Object-Oriented Programming (OOP), MySQL Nadiad, India
- Developed a C++ console-based Airline Reservation System with full CRUD operations for flights and ticket bookings.
 - Integrated MySQL C API for real-time database connectivity and persistent storage of flights and passenger details. Implemented admin authentication, ticket booking, cancellation, and dynamic seat availability updates.

EDUCATION

- Dharmsinh Desai University** Nadiad, India
Bachelor of Technology in Information Technology — 7.73 CPI 2022 – 2026
- OAJ Institute of Science** Bhavnagar, India
Higher Secondary Certificate (HSC) — 79% 2020 - 2022
